

Next Year's National AGM

Suggestions have already started with next year's AGM with suggestions on more emphasis on a part atmosphere, possibly each area having a mini poker run getting there, and thoughts of a more central location. Again these were only suggestions however input from members to make next year's bigger and better are essential.

Monthly Update Survey

One of our duties is to ensure that we are not sending information out to people who don't want it. As yet I have not had any complaints however, if you are getting the monthly update and don't want to get it, please let me know by sending back this form below, emailing me or sending me a txt to my mobile 0439 678 067. If I don't hear from you, I will assume that all is well and you want it sent.

Chairperson's Bit

Hi Everyone. I hope everyone is well. This month's picture is The Kilkivan Hotel, which is around 180k South West of Gin Gin. As you would be aware we have changed our meeting dates from Sunday to a Saturday, which seems to have had a positive impact. Thankyou for all of those who attended our last meeting.

If we can start getting a few more people to meetings, which looks like happening, we can look at running a raffle on the day, at the pub which will bring extra cash for the kids and provide a member or person at the pub with a tasty meat tray.

At our last meeting we talked about an overnight ride to Uwanga Dam Calliope, inviting The Monto crew and Wide Bay Members if they were interested. I'd like to set a date for this at our next meeting, there probably isn't a lot of dates available to us with the most likely ones been Saturday 7th August or maybe the end of August Saturday 28th, just prior to the 5 day Poker Run are options.

Anyway thing about it and we can make a decision at the next meeting.

The old boy is turning 50!
